	<u>l do not know the company domain</u>	Continue		
< Back				

- 5. Select Continue
- 6. A browser page will open, select Open Zoom Meetings
 - a. If this does not occur look below for solution

Common Issues & Solutions

Error Page on First Logon

Description

After clicking continue in step 5 under Access Zoom via Desktop App, a browser window opens on a Microsoft log in page.

Solution

Go back to the desktop app and click on Continue again, now it should present you with the option to **Open Zoom Meetings**
